## Eastland.

Special to the News.

It is still warm and keeps on raining.

I have seen the first second growth of pumpkins this fall that I ever saw. Vines fifteen and twenty feet long. New tomatoes as large as teacups; corn sprouting in the fields. Lots of hay rotted. Corn in the shock damaged.

I went over to Chattanooga the 20th of this month to the Grand Lodge of the I. O. O. F., the largest assembly of the order in years. I saw some of my old friends that I had not seen in fifteen or twenty years, among them being Gains Cagle, of Chattanooga, and Mr. and Mrs. Dennis Brimer, of Guild. I did not see the Bracken boys anywhere in town. I suppose they had left there. I arrived in Chattanooga at 9:30 and went out and spent the night with Mr. and Mrs. Henry Kidwell. I stayed in town four days and nights. Chattanooga is a great sight-seeing town. The first night I went to a restaurant for supper and ordered a beefsteak. I waited about a half an hour for it to come. Well, when the waiter brought it, it was so tough one would have needed a broad axe to cut it. I sawed on it until I gave out, paid the 40c and left it for the next man. Next morning I went to the Ellis restaurant and got a good breakfast for 35c.

The big show was in town, but I did not go to it. Wednesday about 12 one could hardly get thru the crowd that had gathered to see parade. The sidewalks were packed with people for a half mile. J. G.

## NOW IN CHARGE

RANDLE HARDWARE CO.

Chas. Randle, late of Harpersville, Pa., is now in charge of the Randle Hardware Co., at Whitwell; formerly the J. L. Hudson stock. While in Pennsylvania he received injuries to an ankle, which still troubles him, and for which, under the workman's compensation act of that state, he received nothing except medical attendance. The injury was caused by the carelessness of a fellow workman in building a scaffold, the timbers being insecurely fastened. He hopes to build up a large trade in his new venture as merchant, especially since South Whitwell is now on a boom.

## RED CROSS GIVES FULL ACCOUNTING

War Council Tells How Millions Contributed by Public Were Used For Relief.

### BIG TASK IS DESCRIBED

In Twenty Months \$154,000,000 Was Spent Overseas and \$119,000,000 in the United States.

Washington, (Special).—Through a complete report of the work of the American Red Cross in the war by Chairman Henry P. Davison, on behalf of the war council, the organization on the eve of its annual enrollment of members during the Third Red Cross Roll Call, November 2 to 11, has rendered an accounting of the many millions given it by the American people to help our fighting men and our allies. The statement is, in part, as follows:

"The war council of the American Red Cross is now prepared to make a complete accounting to the American people of money contributed and expended, as well as the work done by the American Red Cross during the period in which the war council was in control of its affairs. The war council was appointed May 19, 1919, and went out of existence February 28, 1919.

"It was the practice of the war council to give complete publicity to its policies and finances, but it is only now that a picture of the war period as a whole can be presented. It is the feeling of the war council that a report in this summarized form should be made directly to the public which provided the money and gave the effort which made the American Red Cross a success.

"A statement of the American Red Cross effort and finances since the war council relinquished its control will be made to the public through the executive committee, and it is important, therefore, that the fact that this report covers the period only until March 1, should be carefully noted."

Following are certain round figures covering American Red Cross participation in the war, as revealed by the war council's report:

Some Outstanding Figures.	
Contributions received (material and money).....	\$400,000,000
Red Cross services in U. S.:	
Adults, 20,000,000.....	
Children, 11,000,000.....	\$1,000,000
Red Cross workers.....	\$1,000,000
Relief articles produced by volunteer workers.....	\$71,577,000
Families of soldiers aided by Home Service in U. S. Refreshments served by canteen workers in U. S. Nurses enrolled for service with army, navy or Red Cross.....	23,822
Kind of comfort articles distributed to soldiers and sailors in U. S. Knitted articles given to soldiers and sailors in U. S. Tons of relief supplies shipped overseas.....	101,000
Foreign countries in which Red Cross operated.....	25
Patent days in Red Cross hospital in France.....	1,155,000
French hospitals given material aid.....	3,780
Splints supplied for American soldiers.....	204,000
Gallons of nitrous oxide and oxygen furnished French hospitals.....	4,340,000
Men served by Red Cross canteens in France.....	15,876,000
Refugees aided in France.....	1,726,000
American convalescent soldiers attending Red Cross movies in France.....	3,110,000
Soldiers carried by Red Cross ambulances in Italy.....	148,000
Children cared for by Red Cross in Italy.....	155,000

Of the \$400,000,000 in money and supplies, contributed to the American Red Cross during the twenty months the war council was in existence, \$263,000,000 was allotted to national headquarters, while \$137,000,000 went to the chapters to finance their activities. Expenditures in the twenty months totaled \$273,000,000, divided as follows: By national headquarters in France, \$57,000,000; elsewhere overseas, \$64,000,000; in the United States, \$48,000,000; by chapters in the United States, \$43,000,000; cost of chapter-produced articles distributed in France, \$25,000,000; elsewhere overseas, \$8,000,000; in the United States, \$28,000,000, making total expenditures in France, \$82,000,000; elsewhere overseas, \$72,000,000; in the United States, \$119,000,000.

## RIGHT ON THE JOB

The "Y" Secretaries Look After the Comfort of Returned Soldiers.

New York.—Commendation of the services given by the Y. M. C. A. to the Marines of the Fourth Brigade at the time of their parade in New York is carried in a letter of Maj. Gen. George Barnett, just received at the association headquarters, 347 Madison Avenue.

"I have just been informed by the Commanding Officer of the Fourth Brigade of Marines," writes Maj. Barnett, "of the very helpful assistance and co-operation with the parade of the Second Division, A. E. F., in New York, or I would have written you sooner and expressed my appreciation. Your efficient and decidedly useful services on that occasion aided materially in the successful carrying out of the parade, and both personally and on behalf of the Fourth Marine Brigade, I wish to convey to you, and through you to the other officials and co-workers of your organization, my sincere grateful appreciation."

Companies of the Fifth and Sixth Regiments, United States Marines, of Pershing's own composite regiment, were looked after by the "Y" at the recent parade of the First Division in New York. Maj. Fred A. Parker was commanding and the companies included 234 men and eight officers. Association workers also cared for them on troop trains and are now permanently located in their camps.

When the Marines with Pershing's outfit arrived in New York they were not only furnished with the usual "Y" delicacies, but, during the long hours of waiting attendant to the parade, were given food by the Red Triangle.

## FOLLOWING THE JACKIES

The Navy Y. M. C. A. Opened in Far Distant China.

Shanghai, China.—Business men and women from New York and other cities of the United States were in attendance at the opening of the new American Navy Y. M. C. A. Forty American women, headed by Mrs. C. S. Lobingier, formerly of New York, had charge of the arrangements.

The orchestra from Admiral Rodgers' flagship played during the afternoon and evening. Among the visitors were: Consul-General Sammons, Admiral Rodgers, Judge C. S. Lobingier and many prominent members of the American community as well as American sailors in port.

The new Shanghai "Y" is a three-story structure with sleeping quarters for eighty men and contains gymnasium, auditorium, dining rooms, billiard and reading and writing rooms. Hostesses for the reception were: Mrs. W. H. Lunt, W. C. Sprague, Mrs. L. F. Shapely, Mrs. J. B. Sawyer, Mrs. T. F. Cobbs, Mrs. J. W. Gallagher, Mrs. C. E. Tucker, Mrs. J. H. Dollar, Mrs. C. P. Holcomb and others.

## WOMEN IN THE "Y."

Overseas Workers to Be Retained in Permanent Service.

Atlanta, Ga.—Possibility of the use of former overseas women workers of the Army and Navy Y. M. C. A. in civilian city associations and other parts of the local Y. M. C. A. work under the expansion program, is a thing which is deeply engaging the attention of Y. M. C. A. leaders in all parts of the country.

It is expected that the south-wide campaign for the extension of the Y. M. C. A. civilian work in this and twelve other states of the southland, as well as the District of Columbia, October 20th to 30th, will create places for large numbers of comparatively new association workers.

Before the last war the work of women in the Y. M. C. A. was largely confined to the organization of a "women's auxiliary" of the association which usually did admirable work in a volunteer way by preparing suppers and social events peculiar to the skill of women. But their use as employees was generally discouraged except as office workers in the capacities of cashiers or stenographers.

However, the war in its imperious Martin way insisted on the participation of women in it. Several hundred women were sent to France and their work was probably more consistently successful than any other part of the "Y" war work in France. Many of those women have come back fired with a desire to continue in "Y" work in America. Most experienced association leaders are in favor of it.

Some city associations have already placed women on their payroll to do much the same kind of work that they did in France for two years without remuneration.

## PRESIDENT WILSON'S OPINION.

In his great address before the Pittsburg Y. M. C. A., President Woodrow Wilson said:

"You can test a modern community by the degree of its interest in its Young Men's Christian Association. You can test whether it knows what road it wants to travel or not; you can test whether it is deeply interested in the spiritual and essential prosperity of its rising generation. I do not know of any test that can be more conclusively put to a community than that."

## HEAVY RAINS GREATLY DELAY FALL PLOWING

Continued heavy rains in this section have put the farmers badly behind on their land turning, and unless there is a change shortly, there will be very little wheat sown. It must be sown in the next three weeks or be a failure, as experience in the past has shown the farmers that wheat planted so late that it cannot take root before the winter freezes, easily winter kills and means only a half crop the following year. The heavy rains have damaged the "down" corn, that is corn that is prostrate in the fields thru the stalk having fallen down and broken off. Many farmers have been gathering this and selling it for hog feeding purposes at \$1.50 per bushel. There is a considerable quantity of this class of corn in the fields, which is of poor quality, and this loss will mean a considerable deficit in the main crop of good, solid corn.

## TO ENTER FEED AND GRAIN BUSINESS

So. Pittsburg, Oct. 29.—D. Y. Conatzer, of this place, will enter the feed and grain business, exclusively, buying in carload lots and reselling to local dealers. He has been engaged in the bottling business but will devote his time to the grain business exclusively.

Miss Nina Randle, of Nashville, arrived Saturday evening on a visit to friends, being the guest of Mr. and Mrs. T. R. de Sabia and the Leland family. She reports her brother, Walter Randle, as having recently had an operation on his throat, from which he is recovering rapidly.
